THE ATLANTIC HIGH SCHOOL

CARDINAL

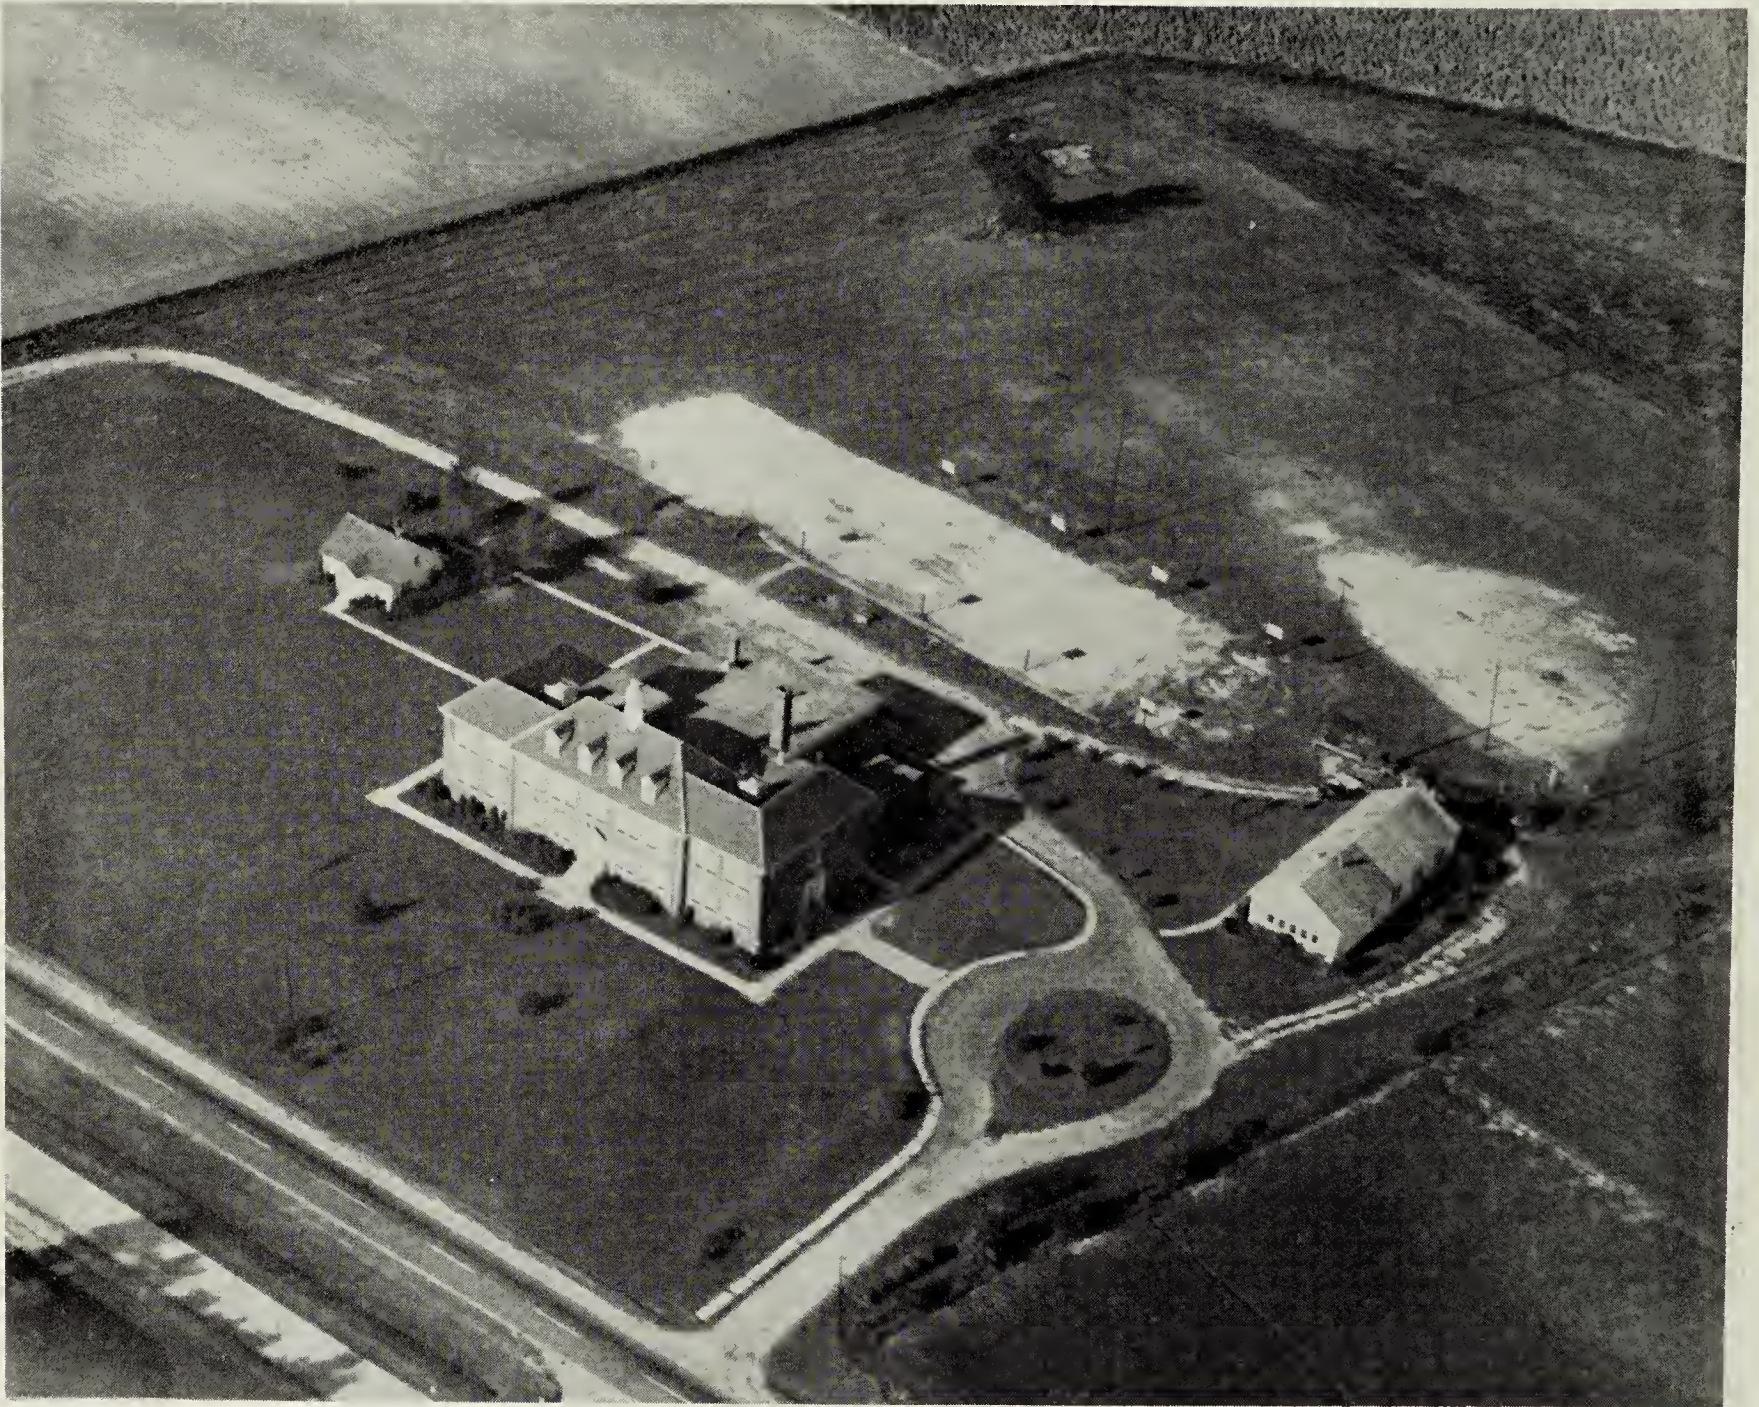

ATLANTIC HIGH SCHOOL

Oak Hall, Virginia

Volume No. 5

FOREWORD

Our school with its friendly walls holds fond memories of happy hours, cherished friendships, serious endeavor and lasting achievements.

As we look into the world, we see many new hopes and new dreams. We realize that soon, we are to leave Atlantic High School.

Many happy memories will come to those who leaf through the pages of this book. We hope that you will enjoy it as much as we have enjoyed giving it to you. May our work not be in vain.

We give you our book THE 1954 ATLANTIC CARDINAL

ALMA MATER

Hail, Oh Hail, Atlantic High School.
We will sing your praises now.
You have ever tried to guide us
Into paths of "Knowing How";
How to dwell with other people,
How to labor, laugh and play;
That, departing from your portals
We might truly live each day.

Hail, Oh Hail, Atlantic High School,
We will always sing your praises.
Always try to heed your precepts
Through our lives in future days.
You our Alma Mater, we will
Pledge to ever glorify;
That for years to come
We Still may hear the cheer
"ATLANTIC HIGH".

ADMINISTRATION

A MESSAGE FROM YOUR SUPERINTENDENT TO THE CLASS OF 1955.....

As superintendent of the schools of your county, I wish to salute you for having reached another step in the "March of Time", which is the threshold of a new life. You are looking out into a vast future filled with no end of opportunities. These opportunities are obscure to you as the door opens, but as sure as the sun shines they are there and they are yours for the seeking. Search hard with high ideals and true faith and your seeking will not be in vain.

ROSCOE M. DOUB

John Justis

ADMINISTRATION

A MESSAGE FROM YOUR PRINCIPAL

Through the spirit of co-operation, a sense of fair play, and the will to meet daily school problems the faculty and student body of Atlantic High School have worked toward a common goal; namely, better prepared students to meet the challenge of life not only on this campus, but also in the years to come.

I sincerely hope that the students of this school will continue to--

"Give to the world the best that you have
And the best will come back to you."

John C. Justis

DEDICATION

With the realization that we are still very young in heart and experience, we reverently dedicate this issue of "THE ATLANTIC BEACON" to our parents for their never-ending and unselfish contribution in aiding us to obtain our education.

CLASS PROPHECY

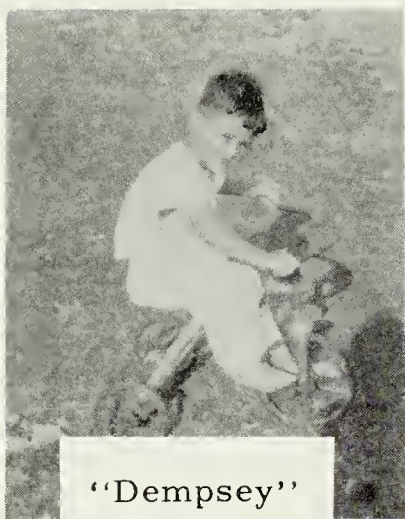

This is your roving reporter, Pat Killmon, bringing you the on-the-spot report of a sight seeing tour to Mars on a new rocket ship, "Cardinal Express". This ship has been designed by the expert engineering of Christopher and Long, and is piloted by Captain Taylor and Co-Captain Rantz. Among the passengers are the famous soap-box opera singer Mary Ann Hall; world renown orator Dempsey Bruton; chic fashion designer Lou Lambden; and the scientist Jim Pronier. The trip is being made more pleasant by the gracious stewardess Betty Bloxom, and seemingly before the trip has begun we have landed on the planet Mars. We're putting on our oxygen masks and leaving the ship very anxiously. The housing development on Mars is new, but it is growing very fast. As we walk down main street, we notice some of Mars's most promising enterprises. . . . "Starlite Salon" run by Mmes. Broadwater and Byrd, "Adams's Garage", "Campbell's Super Market", "Lang's Shave and Hair-Cut Shoppe" and a fashionable dress shop operated by those Bailey girls from Horntown. I see on a billboard where there's a thrilling stock car race tonight starring women drivers-----and who should be racing but my former classmates Sara Taylor and Virginia Jordon. I always thought they had a knack for racing. Oh, where's the crowd going? Let's follow and see! Why here's "Hurricane Britt". She has just won another trophy for racing in her speedy boat "Our Baby III". Her childhood training has paid off. It's almost time to go back to the ship, but we would like to see more of Mars. As we turn down Heavenly Blv., we are almost knocked down by Vincent Mariner, whose wife has the rolling pin again. Around a meteor rock we see a large sign reading: See the planet Earth. . . . Wonderful Scenery Old Friends. Well, this certainly is a switch looking thru a telescope at Earth instead of all the stars. There is just enough time for a quick glimpse. I am paying my dollar, and quickly adjusting the telescope to my Old Almer Mater A.H.S. I see many changes that have taken place in 10 years. Mrs. Justice is still teaching English, but I do see some new faces on the faculty. Mary Jane is Mr. Justis's secretary. Wrendo Mears is teaching Agriculture and is turning out ace farmers. Carolyn Chesser is teaching Home Economics. . . . no more burnt biscuits! The "Cardinals" are still the top football team, and they are being ably coached by Bob Sparrow. The "Little Cardinals", too, are a championship team, and I suppose all the praise should be given to their coach, the old veteran, Frances Moore. The school looks spic and span due to the wonderful care given it by the janitor, "Rick" Coffin. As I admire the beautiful farmlands of the Shore, I can't decide which is the better looking. . . . "Matthews Manor" or Bradley's Pleniful Acres". Saxis is still on the map! Billie Marshall and Shirley Bundick make pretty nurses, and the clinic they founded on the island has helped everyone. Charles makes his home at Saxis, but he isn't there very often for he is busy traveling with the Ringling Bros. Circus. No time to see more, for it's time to go back to ship. Now we're on our way again. Look there is the Milky Way! Why, I do believe that's Billie Miles and she is milking a cow. She and her husband George have an up-to-date dairy farm. I hear that Buddy Hodge delivers their milk daily to Mars. A nice set-up! Now we've arrived at the Washington Airport! It has been a wonderful trip, but now I have another problem. How can I cover two big news spots tonight, both happening at the same time? What are they? Why, the two top heavy-weightfighters of the century--"Powerhouse Shannon" versus "Mighty Mo Markland" are battling for the title tonight. Then out in Griffith Stadium, the Washington Redskins play the Pittsburgh Steelers. And who would want to miss seeing those razzle dazzle "touchdown twins", "Big Bob" Miller and "Choo Choo" Justice play! Thus ends the trip thru space. It was nice seeing the class of '55, wasn't it?

CLASS WILL

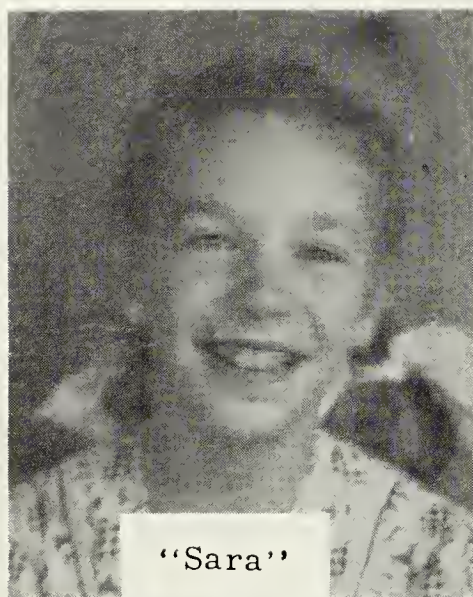

We, the Seniors of Atlantic High School in the town of Oak Hall, the county of Accomack, the State of Virginia, having struggled through four hard years of high school and realizing that, as a result, we are weak of mind and body, do hereby declare this to be our last will and testament.

It is our last request that the following be carried out to the smallest detail.

- I, Kenneth Adams, leave my ability to drive my Ford to Kenneth Miles. Use it well.

- I, Carlton Justice, leave my conceit and way with women to Franklyn Onley.
- I, Pat Lang, leave my ability to get "fighting mad" with a typewriter to William Earl Dennis.
- I, Carson Long, leave all my girl friends to Stanley Smith. I can't take them with me.
- I, Bob Markland, leave my Yankee heritage to Betty Camper.
- I, Vincent Marnier, leave the back steps to Iris Ann Gunter and Billy Sparrow.
- I, Glenn Matthews, leave my "speedy ways" to P.D. Fisher. Watch the ditches.

- I, Carolyn Chesser, leave my appendix to Lula Mae Miles. Gone but not forgotten.
- I, Mary Jane Fletcher, leave my quiet laugh to Mamie Lou Trader. Giggles are permitted.
- I, Mary Ann Hall, leave my love for typing to Phil Watkinson. A typewriter is human.
- I, Virginia Jordan, leave my red hair to Katherine Williams.
- We, Patsy Killmon, Frances Moore, and Shirley Bundick, leave our strong basketball defense to next year's guards.
- I, Mary Lou Lambden, leave nothing.
- I, Billie Lou Marshall, leave my recipe for going steady to Winnie Rhodes.
- I, Billie Miles, leave my knee-socks to Mary Margaret Taylor. Hope they keep you warm.
- I, Sara Taylor, leave my "speedy Dodge" to Midget Taylor. Watch the speed limits.
- We, the Senior Class of 1954, leave our bad habits to the Junior Class. Have as much fun with them as we have had.
- In witness whereof, we have hereunto set our hands and seal this day of June, 1955.

THE CARDINAL STAFF

THE CARDINAL, the Atlantic High School Annual, now in its fifth year of publication, is one of the outstanding activities of the year. While it has been the privilege of the staff to compile this book, it could not have done so alone, for without the inspiring faith of the faculty and friends, THE CARDINAL would have been just a dream.

Here is your CARDINAL. Take it. Cherish it. If it brings to you memories of Atlantic High School, those who have written it will feel their efforts worth while.

THANKSGIVING DAY

The football king and queen, Bobby Miller and Frances Moore, were crowned by John C. Justis, principal, during the half. They rode atop a Cadillac convertible beautifully decorated with the school colors, red and white. Gifts were presented which were to be as a continual reminder of that memorable afternoon.

FUTURE HOMEMAKERS of AMERICA

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and Territories.

The purposes are--

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

The Atlantic Chapter is affiliated with the Eastern Shore Federation and the State and National organizations.

FUTURE FARMERS of AMERICA

The primary aim of the FUTURE FARMERS OF AMERICA is the development of agricultural leadership, cooperation, and citizenship. The F. F. A. is designed to supplement training opportunities for boys who are progressing toward the goal of establishment in a farming business. Here is a school of experience in the art of working together for a common good. Members have a splendid opportunity to learn how to deal effectively with themselves as well as with others.

The Motto consists of only four lines, but these lines are filled with practical philosophy, reflecting a spirit and sincerity that shows the true viewpoint of farm youth, the "backbone of a nation."

Our platform. . . . clean speech, clean sportsmanship, clean scholarship, clean living.

Our purpose can best be expressed by our Hi-Y creed.''. . . . to create, maintain, and extend, throughout the home, school and community high standards of Christian character.'

GLEE CLUB

The Choral Club, under the direction of Mrs. Onley, is a new organization at Atlantic High School since the music department was added just this year. Thirty-five members--divided into two-part harmony, make up the group. They presented the Christmas program consisting of group songs, solos and pageantry. They assisted in the Junior Class Minstrel and presented an all musical program at the end of the year.

Developing school spirit, good sportsmanship, and backing up the team are the aims of cheerleading. This year our cheerleaders have really lived up to their aims.

Whenever a "CARDINAL" takes his position on the football gridiron, baseball diamond, or basketball court, you will always find the Atlantic Cheerleaders there to cheer him on to victory.

FOOTBALL

The season of 1954 was a very successful season for the Atlantic Cardinals with eight wins and two losses. The football experts rated the Atlantic Cardinals to finish fourth, but after the first three wins Atlantic proved to the people and to the experts that she had the spirit to go to the top.

After bringing the powerful Onancock Blue Devils' twenty-eight game winning streak to an end, the Cardinals were expected to be the champions of the Eastern Shore. Our hopes were just a little high as the red birds finished the 1954 season in second place, bringing to an end the best season since 1951.

No one can forget the defensive line which consisted of Campbell, Markland, Mears, Wessells, Adams, Varner, Justice, Lang, Sparrow and Bruton. In the backfield were the four fastest backs on the shore--Justice, Miller, Shannon and O'Toole. The passing attack was rated to be the best ever known in this district. Miller, who was rated as the best passer to play on the Eastern Shore gridirons, whose favorite target was Campbell, passed Atlantic to many victories.

The substitutes proved their worth to the team on many occasions, but most of all on the practice field. Without them there would never have been an eight game winning streak as was.

FOOTBALL

As anyone acquainted with the ins and outs of football well knows, the success or failure of a team depends largely upon the way it is coached. This is indeed true in respect to our team this year as Atlantic High School had three of the best coaches ever to send a team on the Atlantic gridiron.

The backfield and offensive coaching spot was filled by Ed Carter, an alumnus and teammate of "Choo Choo" Justice of the University of North Carolina.

Henry Jawish, an alumnus of St. Johns, and Jack Kerstetter of Pennsylvania were excellent defensive coaches.

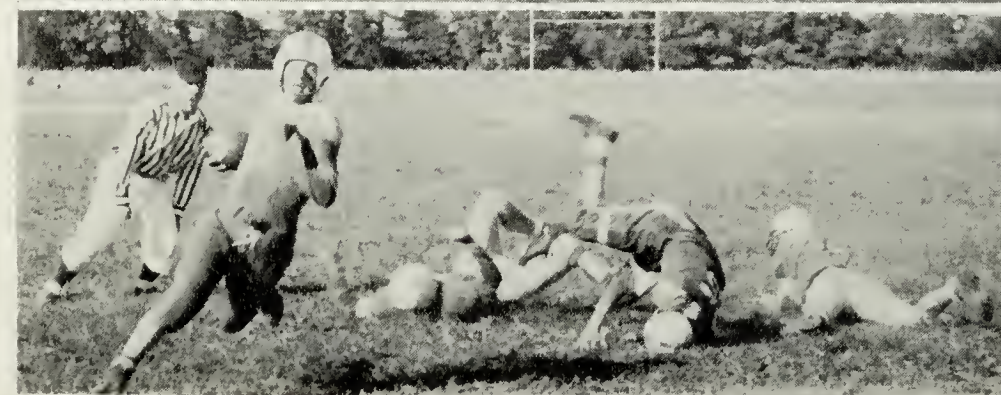

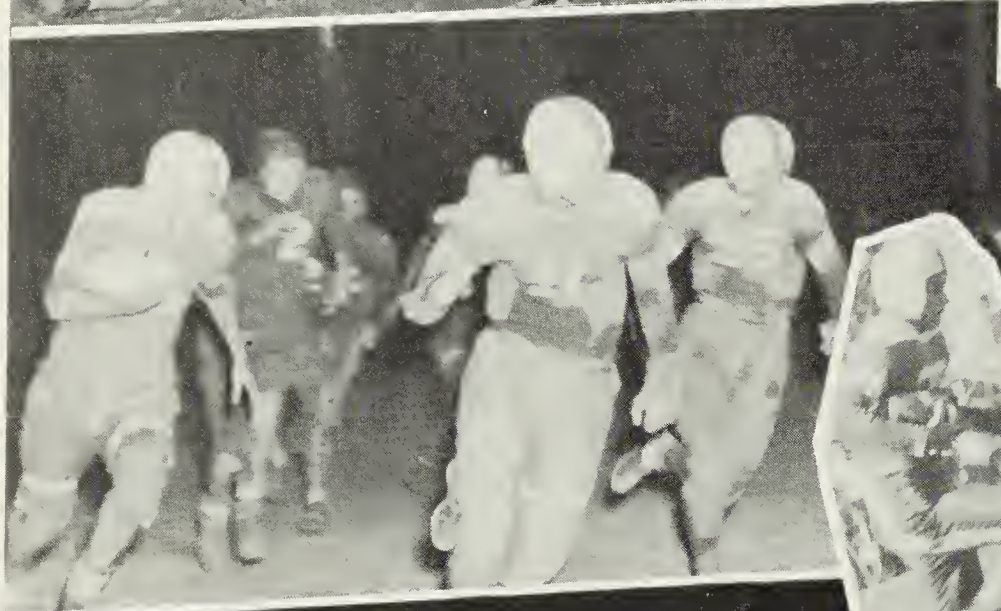

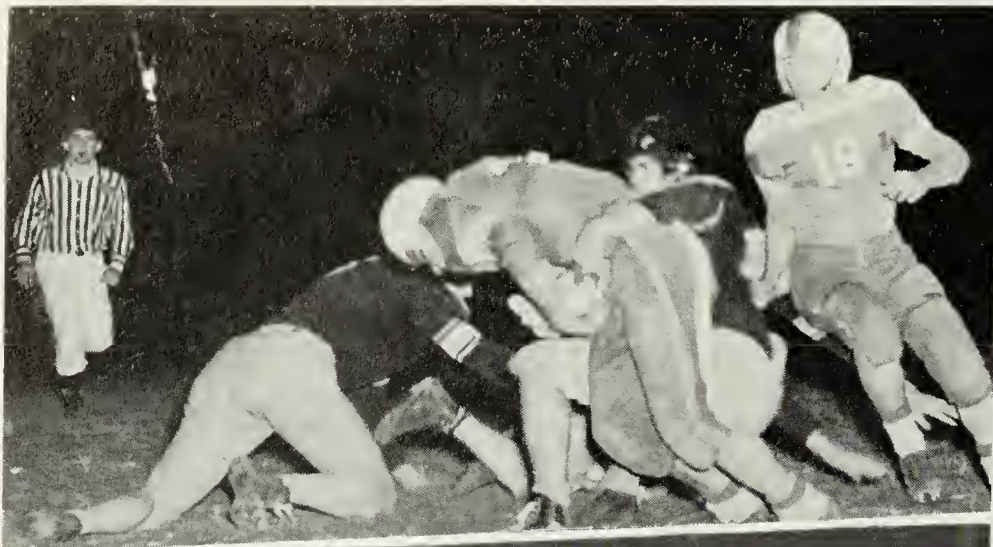

We shall never forget the inspiration of the coaches--the fighting line--the speedy backs--and the aerial attack.

Many thanks to our spectators. Without you there with your support, the wins would have been few and the losses many.

BASEBALL

The Spring of 1954 found fifteen boys out for the baseball squad under the able coaching of Mr. "Dick" Bunting. The season had its bright spots, three victories out of six games, two of which were no hitters pitched by J. W. Tapman, the other a one hitter by Carlton Justice.

The Cardinals' greatest asset was the pitching staff while they were handicapped by being unable to hit in the clutch. The Cards possessed one of the best defensive teams on the shore.

The infield consisted of Franklyn Onley on the "hot corner", Captain Bob Miller at shortstop, Francis Campbell at keystone sack, Frank Shannon handling the first base chores and Wrendo Mears behind the plate. The outfield consisted of Jimmy O'Toole, Marvin Justice, Pat Bradley, Kenny Adams, and Pat Lang.

The Spring of 1955 should prove interesting to the Cards' fans since the starting nine return with the benefit of a year's experience. This could prove troublesome for the other shore teams, including the present champion Parksley Eagles. We hope! We hope!

BASKETBALL

The season of 1954 proved to be a short and victorious one for Atlantic. Few started practice due to the fact that we did not have a coach. Since Mr. Justis, our principal, was unable to secure a coach for us, he had to take over the coaching duties himself. After many pep talks from the coach and captain, the Atlantic team pushed aside fears and went out on the courts to win all of their games. This made them undefeated for two years.

The veteran forwards Lambden and Brittingham played a brilliant brand of ball. As usual Lambden covered the playing court always a few steps ahead of her opponent, constantly sending the ball to Brittingham who made the shots from about any position on the court. These two forwards were ably assisted during the season by two newcomers-Trader and Mears, who easily demonstrated their ability in all phases of play that their position required.

In head guard position we have two veterans, who have seen two years of experience-Bundick and Moore. The third veteran Killmon proved that she was no novice at the game. These guards demonstrated clearly that as a team they had no superiors on the Eastern Shore of Virginia. They established for themselves a record in one of the league games by not allowing a single field goal to be made. They were ably assisted in some games by Elliott and Mears.

Students, faculty, and friends are very proud of the excellent record of the Atlantic Cardinal basketball team.

SOFTBALL

The '54 softball season began with hard practice and the memory of our success last year. With Mr. Waterfield as our coach and co-captains Betty Jean Mills and Shirley Bundick, we had high hopes.

After winning five straight games, we played Central for the championship. This game ended in a loss which meant the loss of the championship.

BASKETBALL

The 53-54 basketball season was a pretty good one for the "Big Red." The boys were able to win six while dropping four, two of which were lost by one point. A six and four record isn't to be considered bad when the team had no gym to practice in. One of the highlights of the year was the high scoring of Campbell. He holds the record for the most points scored in one game for an Atlantic player with twenty-six.

The teamwork of Miller, Campbell, O'Toole, Bradley, Mears, Shannon, Cates, and Bruton plus the excellent coaching of Walt Wimberly made last year a successful one.

TRACK

The CARDINAL track team, showing its "colors" while pacing Atlantic to the #2 position in the Field Day events, rolled up a score of 135 points. The team was led by Carlton Justice, Jimmy O'Toole, and Albert Miles, who, along with the rest of the team made a spectacular showing.

Jimmy O'Toole set a new track record in the junior events of 23.2, 220 yard dash and Carlton Justice set a new track record in the senior events of 21 seconds, 220 yard dash. In the one mile relay the CARDINALS placed No. 2, the team made up of Justice, O'Toole, Watkinson, and Miller.

The Charlottesville meet, where Carlton Justice brought back great honors for Atlantic, placing No. 3 in the 100 yard dash, placing No. 1 in the 220 yard dash, caused Atlantic High to look with pride upon her star runner.

Once again Carlton Justice brought honor to Atlantic High School by winning in the 220 yard dash in Salisbury, Maryland.

Atlantic Ends Blue Devil Winning Streak At 29 Games

The Onancock Blue Devils after winning 29 straight games went down to defeat in their thirtieth game played with Atlantic at the Firemen's Park at Onancock last Friday night. The score was Atlantic 25, Onancock 0. Atlantic won the toss and elected to receive the kickoff. From the line of scrimmage Justice received the first kickoff until the closing minute of the game Atlantic out charged and out fought the Blue Devils showing superiority in running and passing plays. Miller at quarterback for Atlantic played the game of his high school days.

A large crowd of spectators was present for the contest and most of them were amazed at the smooth running machine of the Cardinals. Few had dared to predict an upset for the Blue Devils, who had not lost a game in two and a half years. It was thought by many that the Onancock line was almost impregnable and could stop the Cardinals, but it was a determined team from Atlantic who would not be denied a victory after tasting defeat for more than two years. Onancock. Henley, who weighed 140 lbs. was the particular star of Onancock. From time to time he made the tackles which Atlantic gains.

In the first quarter Atlantic was in possession only two occasions they were penalized. On their one penalty the firstdown was operating. Four attempts to gain only five yards. Miller scored a touchdown for the Cardinals in the closing minutes of the third quarter, giving the Cardinals a 12-0 lead. Atlantic Shut Out Northampton By Score 26 To 0. down in the second quarter. O'Toole took the ball and ran 45 yards. The pass from Miller for the extra point was successful.

Atlantic made four touchdowns. When the third quarter ended Atlantic was in possession. Onancock's 18 yard pass to Justice, who scored, gave Atlantic a 12-0 lead.

Mighty Onancock is no more. The collapse of the Blue Devil dynasty was a long time in coming but when it did come—it came with a smashing crescendo.

The Atlantic Cardinals came to town last Friday night and their rout of the Blue Devils was so complete and thorough that it left the spectators gasping. After five minutes of play there was no doubt but that the Eastern Shore had a new king of football.

The Cardinals could do no wrong and completely controlled the game. In the first half, Onancock only had possession of the ball. This writer's opinion that Friday night's Atlantic Cardinals were a team to play on the Shore. Their first team could have easily beaten any larger teams in the State.
